

These are the board's decisions:

- 1) Pending approval of the LGRC Board, we will have our first day of golf on June 10 at 7:30 AM.
- 2) Tee times will be 10 minutes apart.
- 3) Social distancing must be observed. No congregating at the shack or at the first tee, also, no socializing after golf, no snacks in the shack.
- 4) Because the tee times are 4 minutes more apart than our usual 6 minutes, we will golf in foursomes instead of threesomes to speed up play.
 - Foursomes will tee off on schedule; you must be ready to golf at your assigned tee time. If you are late, you will have to go to the end of the line.
 - Foursomes and tee times will be assigned. Judy will make up the foursomes and assign tee times.
 - This info will be available on our web page.
 - Each foursome must have at least one LGRC member.
 - Guests will pay the member in their foursome. Sue Boe will **not** be collecting from everyone.
 - The member will then be responsible to claim the guest(s) when signing in and be responsible to pay the guest fee(s) to the course.
 - Guest fee is \$14. Cart rental is \$9.
- 5) Only one person to a cart, the driver must sign the waiver. The cart must be sanitized after use. Disinfectant spray will be available.
- 6) Sand traps have no rakes. If you land in a trap, you can take a free lift out, dropping the ball no closer to the pin.
- 7) Do not touch the flag. The cups are upside down leaving the hole only 1/2 inch deep.
- 8) We will all be playing from the white tees. There will be no tee box markers, so you may tee off as far forward as you wish.
- 9) If you have taken 10 strokes and have not completed the hole, pick up your ball and give yourself 10 strokes with no putts for that hole. Indicate that the hole was not completed by circling that space on the scorecard
- 10) We now have a web page. "[Lockport Ladies Golf League](http://lockportladiesgolf.com)". Rita S. has designed one for our league and we will post all pertinent information on it. To access the web page just type in: **lockportladiesgolf.com**
- 11) We will no longer have a yearbook/booklet. All the rules, etiquette, events etc. will be on the web page. No member's personal information will be posted.

The board realizes that this is a lot of information to digest but we want to have a league this year and this is the only way we can have it,

MEMBERSHIP AND DUES

Member Information:

Judy will make a spreadsheet of the members' names, addresses, phone numbers and e-mail addresses. She will e-mail it to all members.

Will you be golfing with us this year?

Please e-mail me(Joan) and let me know yes or no.

If you are golfing this year, then....

1. Also, will you be using a cart?
2. Will you golf on June 10?
3. Will you need a cart?

Let Judy know **before Sunday June 7.**

NOTE: To help Judy make up the foursomes each week, please let her know of any definite dates you will not be available to golf

Our dues are still \$20 for the season with an optional \$5 for the chip in pot. Please mail your checks to Susan B.

Please, if you are not well, stay at home and let someone in your foursome know that you will not be golfing that day.

If you choose to not golf this year, your name will remain on our membership list and we hope to see you next year.

I look forward to seeing everyone again this summer.

Joan
